

## Exhibiting Information

# *Manufacturing World*

Organised by: RX Japan Ltd.

## 4 Editions in a Year!

**Osaka**

Oct. 2(Wed) - 4(Fri), 2024  
INTEX Osaka, Japan

**Fukuoka**

Dec. 11(Wed) - 13(Fri), 2024  
Marine Messe Fukuoka, Japan

**Nagoya**

Apr. 9(Wed) - 11(Fri), 2025  
Port Messe Nagoya, Japan

**Tokyo**

July 9(Wed) - 11(Fri), 2025  
Makuhari Messe, Japan

# Each edition helps you get the **best results**

# **1. What is Manufacturing World?**

# World's Leading manufacturing BtoB trade show

Manufacturing World is the premier show for selling to professionals within the industry. Here you will obtain high quality leads, secure new orders, and ultimately result in the expansion of your sales channels.

## Active BtoB Meetings

Partnering / Collaboration

Price & Delivery Dates Arrangement

New Technology Introduction

# Consists of **10** specialised shows

## Components / Manufacturing Technology

***Mechanical Components & Technology Expo***

***Industrial ODM/EMS Expo***

***Medical Device Development Expo***

## IT

***Design Manufacturing Solutions Expo***

***Manufacturing DX Expo***

***Industrial AI/IoT Expo***

***Manufacturing Cyber Security Expo***

## Equipment/Measuring

***Factory Facilities & Equipment Expo***

***Measure/Test/Sensor Expo***

***Additive Manufacturing Expo***

# Consists of **10** specialised shows

## Exhibitor Profile

### Components / Manufacturing Technology

#### ***Mechanical Components & Technology Expo***

- Metal / Resin Processing
- Bearings / Belts / Chains
- Compressors / Fluid Power
- Fasteners / Mechanical Springs
- Tubes / Pipes
- Mechanical Parts
- Gears / Motors

etc.

#### ***Industrial ODM/EMS Expo***

- Development / Manufacturing ODM
- Contract Manufacturing / OEM
- EMS
- Assembly / Inspection Outsourcing
- Manufacturing Dispatch

etc.

#### ***Medical Device Development Expo***

- Metal / Resin Processing
- Bearings / Belts / Chains
- Compressors / Fluid Power
- Fasteners / Mechanical Springs
- Tubes / Pipes
- Mechanical Parts
- Gears / Motors

etc.

# Consists of **10** specialised shows

## Exhibitor Profile

### IT

#### ***Design Manufacturing Solutions Expo***

- CAD / CAM / CAE
- PLM / PDM / BOM
- ERP
- Production Management System
- SCM
- Drawing / Document Management
- etc.

#### ***Manufacturing DX Expo***

- Digital Platform
- EDI / Electronic Contracts
- Procurement / Purchasing / Quality IT
- Accounting / HR / Education IT
- etc.

#### ***Industrial AI/IoT Expo***

- AI Solutions
- IoT Platforms
- Control Devices / Systems
- Sensor Network
- Communication Module
- etc.

#### ***Manufacturing Cyber Security Expo***

- Endpoint Protection
- Network Protection
- IT Asset Management Products
- Security Services
- Anti-Spoofing and Tampering Measures
- etc.

### Equipment/Measuring

#### ***Factory Facilities & Equipment Expo***

- Factory Facilities / Equipment
- Energy Saving Products
- Factory Security
- Safety / Disaster Prevention Equipment
- etc.

#### ***Measure/Test/Sensor Expo***

- Measuring / Testing Instrument
- Sensors
- Analysis / Weighing Instrument
- Cameras / Industrial Microscopes
- etc.

#### ***Additive Manufacturing Expo***

- Additive Manufacturing /3D Printers
- Metal / Resin / Ceramics Materials / Filaments
- 3D Printing Service Bureau
- etc.

# Reach out to all manufacturing professional in Japan

Manufacturing World are held in 4 cities - Tokyo, Nagoya, Osaka and Fukuoka, covering the entire manufacturing industry in Japan.  
Participating in all 4 editions helps you find new business partners throughout Japan.

## Osaka

### **Manufacturing World** *Osaka*

<Major Visitors' Industry>

## Tokyo

### **Manufacturing World** *Tokyo*

<Major Visitors' Industry>

## Fukuoka

### **Manufacturing World** *Fukuoka*

<Major Visitors' Industry>

## Nagoya

### **Manufacturing World** *Nagoya*

<Major Visitors' Industry>

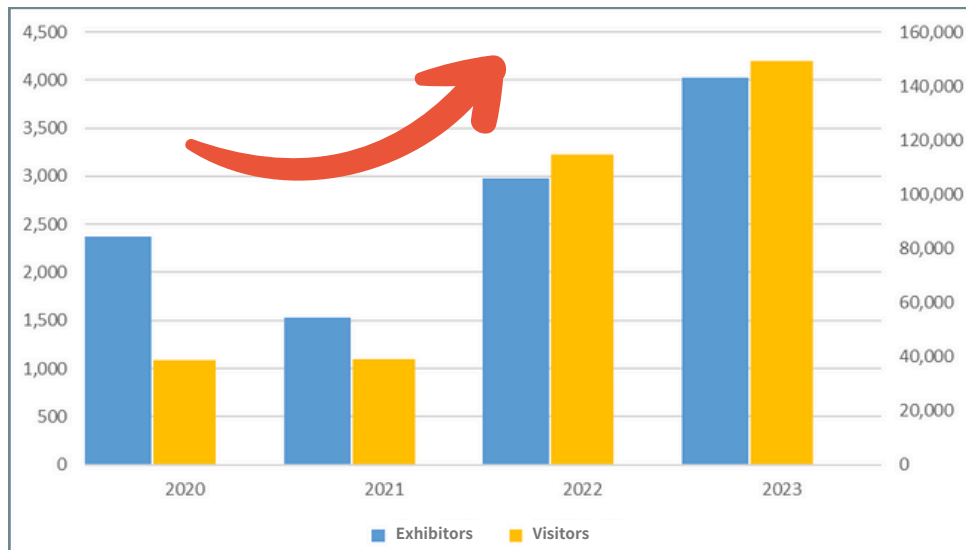

## **2. Exhibiting Merits**

# The best place to promote your products

Manufacturing World is Japan's premier manufacturing exhibition, offering a unique opportunity to showcase and sell your products and services to a large gathering of industry professionals.

The number of exhibitors and visitors V-shaped recovery and on upward trend from 2022 onward!

A number of large-scale seminars will be held at the event, attracting industry professionals to visit!

\*The number of exhibitors and visitors are the total number for the year

**Taiwan Semiconductor Manufacturing Company, Ltd.**  
Deputy Director  
Hui-Hsin (Anna) Tseng

**LG CNS Co., Ltd.**  
Vice President  
Daesung Kim

**Panasonic Holdings Corp.**  
Director  
Hiroshi Kutsumi

**FOXCONN TECHNOLOGY GROUP.**  
Chief Technology Officer,  
Juka Oh

**BYD Co., Ltd.**  
Tokyo Office CEO  
Hao Chen

**Nissan Motor Co., Ltd..**  
Vice President  
Eiji Iguchi

\*Excerpts from conference speaks in 2024

# Meet manufacturing professionals

Professionals from various department of these manufacturing industries, including automotive, electronics, and machinery will visit the show providing excellent networking and business opportunities!

# Expand business throughout Japan & overseas

A list of manufacturing professionals who visited the show are shown below.

Not only Japan visitors but also visitors from abroad.

(In random order/Excerpts)

## Eastern Japan

### Electric Appliances, Precision Instruments, Medical Equipment

- HITACHI
- TOSHIBA
- SONY GROUP
- KONICA MINOLTA
- MITSUBISHI ELECTRIC
- CANON
- OLYMPUS
- TERUMO
- FUJITSU
- RICOH
- NIKON

### Heavy Industry, Machinery, Construction Machinery, Semiconductors

- IHI
- KAWASAKI HEAVY INDUSTRIES
- HITACHI CONSTRUCTION MACHINERY
- MITSUBISHI HEAVY INDUSTRIES
- SUMITOMO HEAVY INDUSTRIES
- SUMITOMO CONSTRUCTION MACHINERY

### Automobile

- NISSAN MOTOR
- HINO MOTOR
- ISUZU MOTORS
- UD TRUCKS
- HONDA MOTOR
- MITSUBISHI FUSO TRUCK AND BUS
- HITACHI ASTEMO
- MARELLI
- SUBARU
- ROBERT BOSCH

## Western Japan

### Electrical Machinery, Precision Instruments, Medical Equipment

- Panasonic
- Kyocera
- Sysmex
- Shimadzu Corporation
- Sumitomo Precision Products
- Nipro
- Omron
- Sharp
- Daikin Industries
- Minato Medical Science
- Glory
- Noritz

### Heavy Industry, Machinery, Construction Machinery, Construction

- Mitsubishi Heavy Industries
- Kobelco Construction Machinery
- Kawasaki Heavy Industries
- Hitachi Zosen
- Caterpillar Japan
- Murata Machinery
- Kubota
- Yanmar
- Komatsu

### Automobiles, Automotive Parts

- Daihatsu Motor
- Exedy
- Nabtesco
- Daihatsu Diesel
- Kinki Sharyo
- Sumitomo Wiring Systems
- ShinMaywa Industries
- Sumitomo Rubber Industries

## Central Japan

### Automobiles, Automotive Parts

- TOYOTA MOTOR
- TOYOTA AUTO BODY
- TOYODA GOSEI
- AISIN
- SUZUKI
- TOYOTA BOSHOKU
- DENSO
- AISAN INDUSTRY
- MITSUBISHI MOTORS
- TOYOTA INDUSTRIES
- JATCO
- SUMITOMO WIRING SYSTEMS

### Heavy Industry, Aerospace, Railroad, Machinery

- MITSUBISHI HEAVY INDUSTRIES
- NABTESCO
- DMG MORI
- KAWASAKI HEAVY INDUSTRIES
- NIPPON SHARYO
- JTEKT
- SUBARU
- FUJI
- OKUMA

### Electrical Machinery, Precision Instruments, Medical Equipment

- MITSUBISHI ELECTRIC
- KONICA MINOLTA
- MEIDENSHA
- FUJI ELECTRIC
- PANASONIC INDUSTRIAL DEVICES SUNX
- NIDEC
- CANON MARKETING JAPAN
- NIKKISO

## Overseas

### China

- CRR Corporation Limited
- Beijing Automotive Group (BAIC)
- Shanghai Automotive Industry Corporation (SAIC)
- Huawei
- Haier
- Midea Group
- Lenovo
- Hisense

### Korea

- Hyundai Motor
- Kia Motors
- LG Electronics
- Hanwha
- POSCO
- Samsung Electronics

### Taiwan

- Foxconn Technology Group
- Delta Electronics
- ASUS
- Pegatron

### Europe and US

- Volkswagen
- Medtronic
- GE
- Siemens
- APPLE
- Caterpillar
- ABB
- Boeing

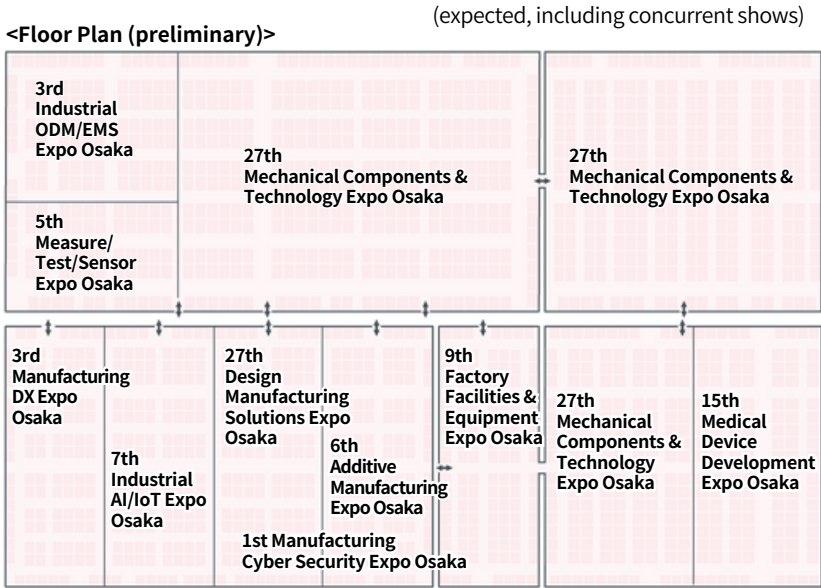

# **3. Features of the 4 Editions**

# Best platform to expand your business in **Western Japan**

**In 2024, attract 1,250 exhibitors and 35,000 visitors**

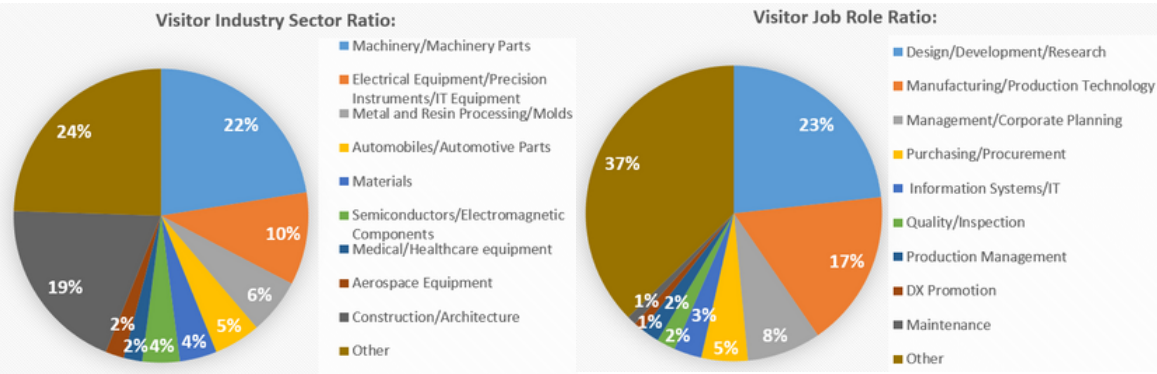

**Best place to quickly close business deal**

In Osaka, many visitors are decision makers from medium/small enterprises. The Internal decision making process in these enterprises are much faster than that of big one, therefore, many international exhibitors gain new deals on-site or right after the show.

**Expand your sales at machinery, home appliance and heavy industry**

## 2023 Visitor Demographics:

### < 2024 Visitors' Company List (expected) >

- Heavy Industry**
  - KOBELCO (KOBÉ STEEL)
  - KUBOTA
  - KOMATSU
  - YANMAR

---

- Home Appliance**
  - DAIKIN INDUSTRIES
  - OMRON
  - PANASONIC
  - SHARP

---

- Shipbuilding**
  - IMABARI SHIPBUILDING
  - HITACHI ZOSEN
  - KAWASAKI HEAVY INDUSTRIES
  - MITSUBISHI HEAVY INDUSTRIES

---

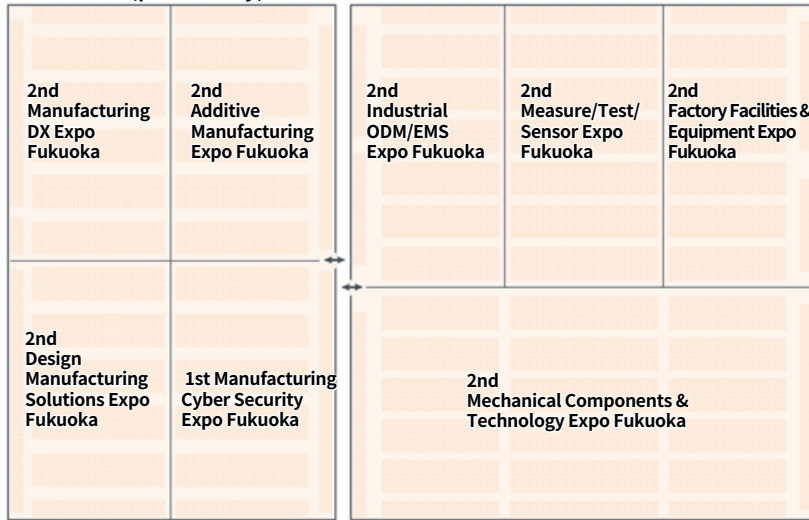

- Automotive**
  - DAIHATSU
  - EXEDY
  - MATSUDA
  - TOYOTA MOTOR KYUSHU

# Best place to expand your sales in the gateway to Asia

**In 2024, attract 400 exhibitors and 20,000 visitors**

(expected, including concurrent shows)

<Floor Plan (preliminary)>

**You can sell to Southern Japan & Asia**  
**Expand your business with new visitors**

Fukuoka is an economic center and industry cluster of Automotive, Semiconductor, Robots, etc. Located almost equidistant from Seoul, Shanghai and Taiwan, Fukuoka is Japan's gateway to Asia. Here you will meet buyers and manufacturers from not only leading Japanese companies but also major Asian companies.

**Expand your sales at semiconductor, shipbuilding, steel and automotive industry**

< 2024 Visitors' Company List (expected) >

<JAPAN>

Automotive

- DENSO KYUSHU
  - HONDA MOTOR
  - NISSAN MOTOR KYUSHU
  - TOYOTA MOTOR KYUSHU
- etc.

Semiconductor

- DENSO KYUSHU
  - HONDA MOTOR
  - NISSAN MOTOR KYUSHU
  - TOYOTA MOTOR KYUSHU
- etc.

Electronic/Robot

- DENSO KYUSHU
  - HONDA MOTOR
  - NISSAN MOTOR KYUSHU
  - TOYOTA MOTOR KYUSHU
- etc.

Shipbuilding

- DENSO KYUSHU
  - HONDA MOTOR
  - NISSAN MOTOR KYUSHU
  - TOYOTA MOTOR KYUSHU
- etc.

<OVERSEAS>

- ACER (Taiwan)
- FOXCONN (Taiwan)
- HUAWEI (China)
- BEIJING AUTOMOTIVE (China)
- HYUNDAI MOBILITY (Korea)
- LG ELECTRONICS (Korea) etc.

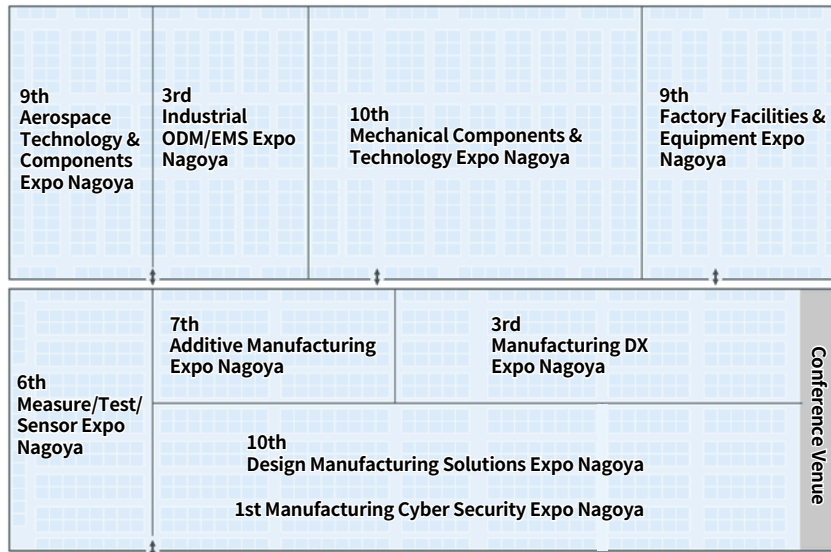

# Best platform to expand your business in **Central Japan**

## ■ Attract **1,000 exhibitors and 30,000 visitors**

(expected, including concurrent shows)

<Floor Plan (preliminary)>

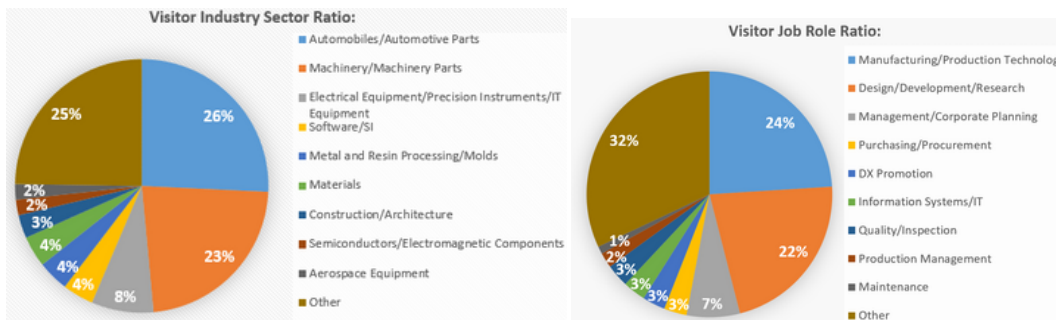

## ■ Area with the largest number of factories in Japan Nagoya – The manufacturing industries clusters

Nagoya area is encompassed by one of the world's dominant clusters of cutting-edge industries such as automobile, aerospace and machine tool.

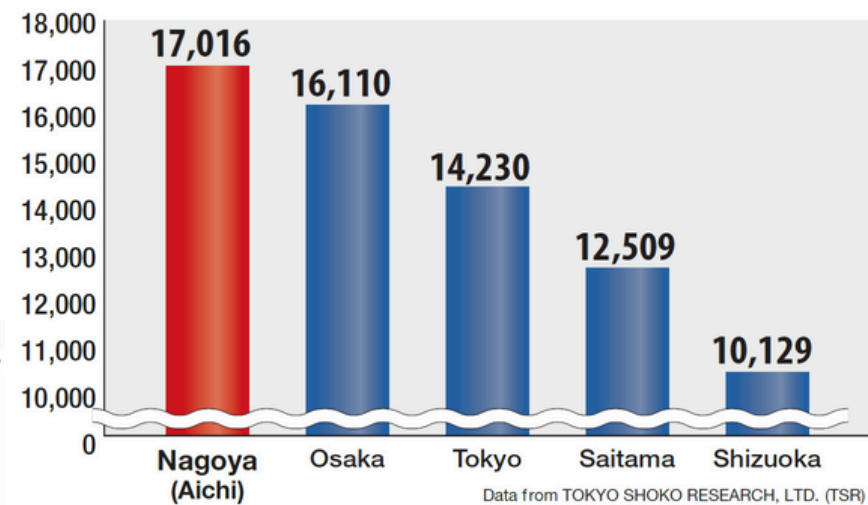

These world-leading companies are all proactively seeking innovative partners to exploit existing opportunities and develop new business offerings.

## ■ Expand your sales in aircraft, automotive, machine tool and heavy industry

2023 Visitor Demographics:

<Number of factories>

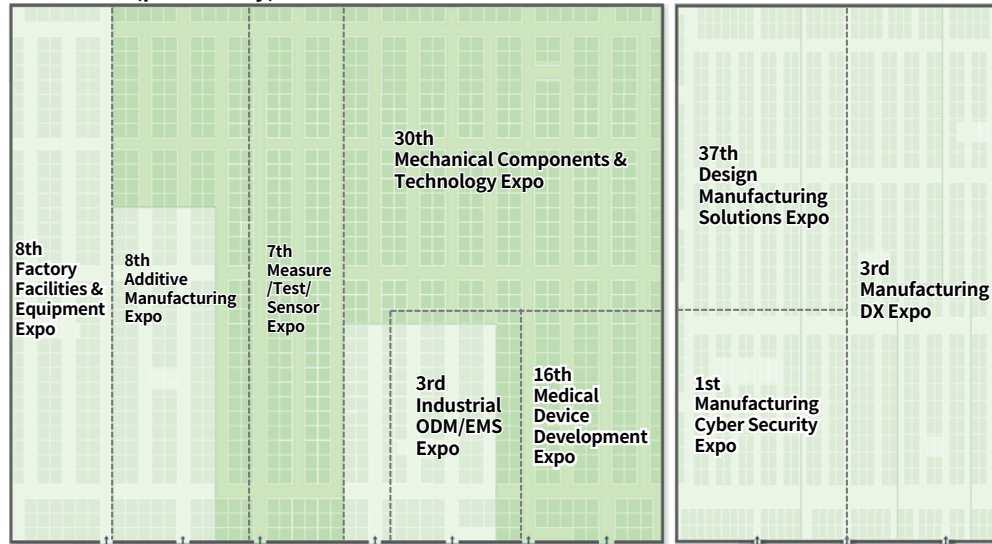

# Best gateway to get recovering after COVID-19

## In 2025, attract 2,500 exhibitors and 75,000 visitors

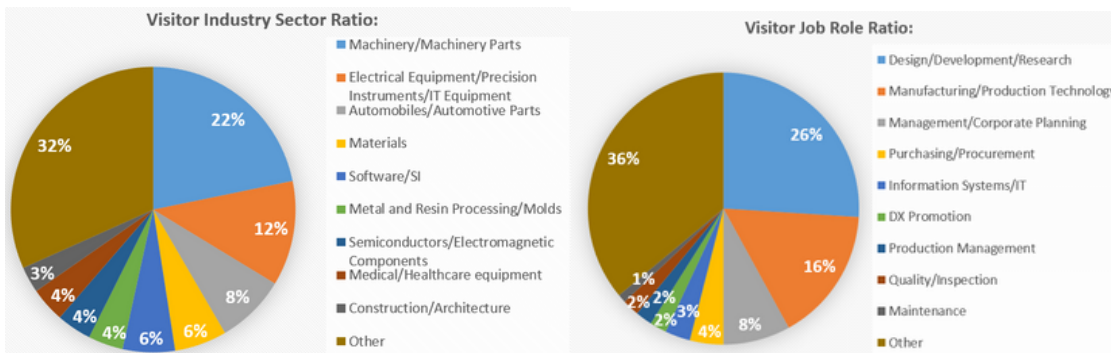

(expected, including concurrent shows)

### <Floor Plan (preliminary)>

## The largest edition of Mechanical Components & Technology Expo series

### 2023 Visitor Demographics:

## Meet high-quality visitors from Japan & Asia

### < 2024 Visitors' Company List (expected) >

#### OVERSEAS

##### CHINA

- BAIC MOTOR
- BEIJING JINGDIAO GROUP
- BYD AUTO
- DONGFENG MOTOR
